"Kagura"

Living room

"Chojaya" —the renovated kominka or rustic Japanese old house that was built 250 years ago. Opened in autumn 2019. The massively thatched house in beautiful scenery spread out before your eyes. Enjoy the happiest moment while taking a relaxing bath under the faint light.

"Kozako-mori"

"Kozako-mori" is a 100-year-old house that was renovated in the spring of 2020. Standing close to the deciduous broad-leaved forests like Konara or Jolcham Oak. The massively thatched house has round-shaped sofa in "doma(earth floor)" and firebeat. Enjoy the vast landscape from the house.
